

WELCOME TO THE SACRAMENTO CAT HOSPITAL!

We are a quality full-service feline veterinary hospital established in 1975. We have three DVMs (two are graduates of UC Davis) and ten full-time staff members (including two licensed Registered Veterinary Technicians). When needed, we will bring in board-certified specialists.

Hospital Hours:

Monday–Friday, 7:30 a.m.–6:00 p.m.

Saturday, 8:30 a.m.–3:00 p.m.

Doctors' hours are by appointment Monday through Saturday. We offer a walk-in vaccination clinic on Wednesdays and Saturdays from 1:00 p.m.–2:30 p.m.

Below are prices for our more-common services.

Physical Examination:	\$53.00
Vaccines:	FVRCP (feline distemper) injectable: \$24.50
	FVRCP intranasal: \$31.50
	Rabies: \$27.50
	Feline Leukemia (FeLV): \$34.50
FeLV/FIV (Feline Leukemia and Feline AIDS) Test:	\$78.75
Microchip Placement:	\$61.50 (less \$10.00 during examination or surgery)
Ovariohysterectomy (Female Spay Surgery):	\$281.37
Alter (Male Neuter Surgery):	\$136.00
Bed & Breakfast:	\$25.00 per night. If medication is needed, add \$6.10 per night for once daily, or \$10.71 per night for twice daily.

We recommend Advantage for once-a-month flea prevention, and Heartgard for once-a-month heartworm prevention.

We board and groom cats throughout the year; just call to make an appointment.

We look forward to having the opportunity to become better acquainted with you and your cat(s)!
