

Sacramento Cat Hospital
4115 Manzanita Ave
Carmichael, Ca 95608
(916)488-4161

Welcome to the Sacramento Cat Hospital!

We are a quality full service feline veterinary hospital. The hospital was established in 1975. We have three DVM's (two are graduates of UC Davis) and ten full-time staff members (Two licensed RVT's). When needed, we can bring in board certified specialists.

Hospital Hours:

Monday - Friday 7:30am - 6:00pm

Saturday 8:30am - 3:00pm

Doctor's hours are by appointment Monday through Saturday. We also have a vaccine clinic on Wednesdays and Saturdays from 1:00pm to 2:30pm. We board and groom cats all through the year, just call to make an appointment. We hope to get the opportunity to become better acquainted with you and your cat(s). Here are some prices for our more common services:

Physical Examination:	\$53.00
Vaccines:	FVRCP (Feline Distemper) injectable \$24.50
	FVRCP intranasal \$31.50
	RV (Rabies) \$27.50
	FELV (Feline Leukemia) \$34.50
FELV/FIV Test (Feline Leukemia and Feline AIDS):	\$76.46
Microchip Placement:	\$61.50 & \$10.00 off during examination or surgery
Ovariohysterectomy (Female Spay Surgery):	\$277.06
Alter (Male Neuter Surgery):	\$134.41

Our Bed & Breakfast prices are \$25.00 per night. If medication is needed, it's an additional \$5.75 per night for once daily or \$10.10 additional nightly for twice daily. We recommend Advantage, for once a month flea prevention and Heartgard, for once a month heartworm prevention.
